T. RAMAIYA,
*Deputy Commissioner.*

## GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

OFFICE OF THE CHIEF ELECTRICAL ENGINEER, BANGALORE.

*Notification.*

The Mysore Bungalow at Jog Falls has been transferred from the Forest to the Electrical Department, to be operated in the same way as the Inspection Bungalow at Sivasamudram is run. Therefore Visitors to Jog Falls are requested to apply to the Chief Electrical Engineer to the Government of Mysore, Bangalore, for accommodation in the Bungalow.

---

*Abstract Notification dated 2nd September* 1938.

Attention of Hardware Merchants is invited to Gazette Notification, published on 8th September 1938, Part VI, page 1545, in the *Mysore Gazette*, calling for quotation for the supply of Coal Tar.

The last date for receiving quotations is fixed for 27th September 1938, 12 noon.

---

*Abstract Notification dated 3rd September* 1938.

The attention of firms dealing in Printing and Supply of Stationery articles is invited to this Office Notifications Nos. G. N. 29 and 30, dated the 3rd September 1938, published on pages 1545-1562 of Part VI of the *Mysore Gazette*, dated 8th September 1938, in connection with the printing and supply of books, forms, etc., and stationery articles required by this department.

S. G. FORBES,
*Chief Electrical Engineer.*

OFFICE OF THE SUPERINTENDING ENGINEER, BANGALORE.

*Notification dated 9th September* 1938.

Notice is hereby given that sealed tenders will be received at the Office of the Superintending Engineer, Electrical Department, Bangalore, upto 3 P.M. on the 30th September 1938, for constructing one unit of Double Block of Operators' Quarters, with one Unit of Latrine at Nanjangud Town. An approximate estimate of quantities is given below. These quantities are not guaranteed. The works should be completed by the end of December 1938.

2. The plans, detailed estimate and conditions may be seen at the Office of the Superintending Engineer, Electrical Department, Bangalore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms, which may be obtained from the Superintending Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 200 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing Operators' Quarters at Nanjangud Town," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted will be posted on the Notice Board in the Superintending Engineer's Office in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Public Works Department or those fixed by the Superintending Engineer, after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of work, etc., and in all disputes of any kind, the decision of the Superintending Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

13. Charges on account of water, scaffolding materials implements for setting out, barricading, clearing site, supply of workmen, etc., that may be found necessary during execution will not be paid for separately, but should be borne by the contractor.
